

VISTA D'ORO

THE QUALITY OF EXPERIENCE

by Sahinoglu

DECORATIVE DOOR AND FURNITURE HANDLE

Vista D'oro by Şahinoğlu

Easier said than done; this is a road story that has been on since 1967... Along a road, illuminated with new experiences gained by each step taken... Trailing everybody, by not giving up aesthetic and functionality... Enabling to reach large masses thanks to its wide range of products... Embracing everybody by means of unlimited customer satisfaction... Leading to be an initiator. Leading to be a leader. A road that can only be walked along with a global point of view... And this is a story that can only be written with professionalism. This is Şahinoğlu's story, Şahinoğlu, who has enshrined in everyone's heart for half a century...

Designers

Selahattin ŞAHİNOĞLU

He is the founder of the Şahinoğlu Company. With his hundreds of products, he leads the Şahinoğlu's 50-year-old product range. He has achieved to be the first in products which he designs, with following the world developments in sector.

RDM'S Architects, Milano

Erdem Şeker

After finishing his education at Bilkent University, Erdem Şeker, who is the founder of the RDM'S Architects, has been carrying on his architecture and designing studios since 2006 in Milano where he finished his education as a professional. Erdem Şeker, who is carrying out his designs both technically and conceptually, is going on his studies about Product-Service-System Design while performing large scaled projects.

Alessio Romano

Alessio Romano is shown among the the most successful designers of future numbers of time in the best designing magazines. He is still designing for the foremost Italian companies like Kundaşini, Dige, Fimar, EpHaus, Swish, Maj Oloasi.

Vito Tripolone

Vito Tripolone graduated from the Architecture Department of Syracuse University. In 2006 he was deemed to deserve the 1st Prize with his Projed-X, a multifunctional microwave oven, in a competition called 'A' Design, Aluminum Forms of Living' which held in Italy. He started his own designing studio in 2011 and is doing ECO sustainability projects with his innovation and researches about material.

Francesco Diamante

Francesco Diamante, Industrial Designer, class 1960. His designer career starts in 2006, when he graduated, at European Institute of Design (IED), the university degree in Industrial Design and he won an scholarship to design eyewear for Marcolin S.p.A. Later in years, he had different work experiences such as collaboration with architectural studio, design studio and luxury furniture's showroom. In 2008 he decided to start a brand new freelance career by creating the Studio Francesco Diamante and at the same time he covered the position of University professor at European Institute of Design.

Bersun Ertürk

Bersun Ertürk, the award winning designer continues his creativity in Dubai for almost 7 years. Graduated at 2003 from Interior Architecture and Environmental Design Department of Bilkent University as the first. Interior, products, furniture and event designs are part of his scope and worked on quite interesting also renown projects so far. Living in a multicultural environment, brings a blend of east's tradition and west's contemporary approach to his designs which he carries to further and spices up with creativity.
